

Books for Review

Anthropology in Action is always happy to hear from potential reviewers at all stages in their academic careers. Reviews are normally short – about 500 words – but a more in-depth review can also be planned if you wish. We currently have a number of books awaiting review. If you are interested in reviewing any of the books on the list below, please feel free to get in touch. Alternatively, if there is a particular book you would like us to request, please contact Michaela Benson (M.Benson@bristol.ac.uk).

Books currently available and awaiting review include the following:
